**Item 8.01. Other Events.**

On February 5, 2008, Torch Energy Royalty Trust (the Trust ) and Wilmington Trust Company, not in its individual capacity but solely as Trustee of the Trust (the Trustee ) under the Trust Agreement of the Trust dated as of October 1, 1993, confirmed the existence of the Second Amendment to the Water Gathering and Disposal Agreement dated November 30, 2004 entered into by Robinson s Bend Operating Company, LLC, a Delaware company, successor in interest to Torch Energy Associates, Ltd., a Texas limited partnership ( Producer ), and Everlast Energy LLC, a Delaware company, successor in interest to Velasco Gas Company Ltd., a Texas limited partnership, ( Gatherer ) (the Second Amendment ). The Second Amendment provides that Section 3.1 of the Water Gathering and Disposal Agreement entered into as of August 9, 1990, by and between Producer s and Gatherer s respective predecessors in interest, as amended by the First Amendment to Water Gathering and Disposal Agreement entered into as of October 1, 1993, by and between such parties (as amended, collectively the Agreement ) should be amended to read as follows:

Producer shall pay Gatherer a fee of \$0.53 per barrel for gathering, separation and disposal of water until Trust terminates, at which point Producer shall pay Gatherer a fee of \$1.00 per barrel for gathering, separation and disposal of water.

Neither the Trust nor the Trustee is a party to the Agreement or the Second Amendment and the Trust did not approve or ratify the Second Amendment. No assurance can be given of the effect of the Second Amendment on the Trust, its assets or the production costs chargeable to the Trust based on the Agreement. Pursuant to the net overriding royalty conveyance (Torch Energy Royalty Trust)(Alabama), certain production costs including second category costs as defined in the conveyance are chargeable to the Trust, provided that the costs and expenses paid by a working interest owner to an affiliate of the working interest owner and chargeable to the Trust for performing such operations or services shall not exceed competitive contract charges prevailing in the area for such operations or services. The Trust believes that the costs associated with the Agreement are considered second category costs and are subject to the competitive limitation noted above.

As previously disclosed in a Current Report on Form 8-K filed by the Trust with the Securities and Exchange Commission on January 31, 2008, at a meeting of Unitholders held on January 29, 2008, holders of 67.6% of the outstanding units of the Trust voted to terminate the Trust pursuant to the applicable provisions of the Trust Agreement of the Trust.
