**PROXY STATEMENT
FOR
SPECIAL MEETING OF STOCKHOLDERS
To Be Held December 16, 2008
SOLICITATION AND REVOCABILITY OF PROXIES**

Our board of directors is soliciting your proxy to be voted at a special meeting of stockholders to be held on December 16, 2008, at 8:00 a.m., Central Standard Time, at the The Woodlands Waterway Marriott Hotel, 1601 Lake Robbins Drive, The Woodlands, Texas, for the purposes set forth in the accompanying notice of special meeting of stockholders, and at any adjournment(s) of the special meeting. If the accompanying proxy is properly executed and returned, the shares it represents will be voted at the special meeting in accordance with the directions noted thereon or, if no direction is indicated, it will be voted in favor of the proposals described in this proxy statement. In addition, the proxy confers discretionary authority to the persons named in the proxy authorizing those persons to vote, in their discretion, on any other matters properly presented at the special meeting. Our board of directors is not currently aware of any such other matters.

Each of our stockholders has the unconditional right to revoke his or her proxy at any time prior to its exercise, either in person at the special meeting or by written notice to our Secretary at Repros Therapeutics Inc., 2408 Timberloch Place, Suite B-7, The Woodlands, Texas 77380. No revocation by written notice will be effective unless such notice has been received by our Secretary prior to the day of the special meeting or by the inspector of election at the special meeting. If you are present at the special meeting, in order to be able to have your vote counted at the special meeting and thus, to revoke your prior valid vote, you need to have written documentation that you are a record holder or, if you own your shares through a brokerage or other type account, written documentation from the holder of record that you are the beneficial owner of the shares you are voting.

Our principal executive offices are located at 2408 Timberloch Place, Suite B-7, The Woodlands, Texas 77380. This proxy statement and the accompanying notice of special meeting of stockholders and proxy are being mailed to our stockholders on or about November [___], 2008.

We have retained Morrow & Co., LLC, a proxy solicitor, to solicit proxies by mail, in person or by telephone, at a total cost of \$4,000. In addition to the solicitation of proxies by use of this proxy statement, our directors, officers and employees may solicit the return of proxies by mail, personal interview, telephone or the internet. Our officers and employees will not receive additional compensation for their solicitation efforts, but they will be reimbursed for any out-of-pocket expenses incurred. Brokerage houses and other custodians, nominees and fiduciaries will be requested, in connection with the stock registered in their names, to forward solicitation materials to the beneficial owners of such stock.

We will bear all costs of preparing, printing, assembling and mailing the notice of special meeting of stockholders, this proxy statement, the enclosed form of proxy and any additional materials, as well as the cost of forwarding solicitation materials to the beneficial owners of stock and all other costs of solicitation.

Table of Contents

PURPOSES OF THE MEETING

At the special meeting, our stockholders will be asked to consider and act on the following matters:

1. Amending our Restated Certificate of Incorporation, as amended, to increase the number of shares of our common stock authorized for issuance from 20,000,000 shares to 30,000,000 shares and, as a result, increase the total number of authorized shares from 25,000,000 to 35,000,000; and
2. Acting on such other business as may properly come before the special meeting or any adjournments thereof.

QUORUM AND VOTING

The close of business on October 27, 2008 has been fixed as the record date for the determination of stockholders entitled to vote at the special meeting and any adjournment(s) thereof. As of the record date, we had 15,174,904 shares of common stock issued and outstanding.

Each stockholder of record of common stock will be entitled to one vote per share on each matter that is called to vote at the special meeting. Shares of common stock may not be voted cumulatively.

The presence, either in person or by proxy, of holders of shares representing a majority of the common stock entitled to be cast at the special meeting is necessary to constitute a quorum at the special meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Broker non-votes occur when a broker or other nominee does not have discretionary authority to vote the shares with respect to a particular matter and has not received voting instructions from the beneficial owner with respect to that matter.

The increase in our authorized shares will be decided by the vote of the holders of a majority of our shares outstanding. Shares represented at the meeting but that abstain with respect to these proposals will be considered in determining whether the requisite number of affirmative votes are cast on such matter. Accordingly, such abstentions will have the same effect as a vote against the proposal. Broker non-votes will not be treated as shares represented at the meeting and entitled to vote for purposes of these proposals, and therefore will have no effect.

All proxies that are properly completed, signed and returned prior to the special meeting will be voted. Any proxy given by a stockholder may be revoked at any time before it is exercised by the stockholder by (i) filing with our Secretary an instrument revoking it, (ii) executing and returning a proxy bearing a later date or (iii) attending the special meeting and expressing a desire to vote his or her shares of common stock in person. If you wish to vote in person at the meeting but hold your stock in street name (that is, in the name of a broker, bank or other institution), then you must have a proxy from the broker, bank or institution in order to vote at the meeting. Votes will be counted by Computershare Trust Company, N.A., our transfer agent and registrar.

**PROPOSAL NUMBER 1:
APPROVAL OF AN AMENDMENT TO OUR RESTATED CERTIFICATE OF
INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES**

Summary

We are asking our stockholders to approve the amendment of our Restated Certificate of Incorporation, as amended, to increase the number of shares of our common stock authorized for issuance from 20,000,000 shares to 30,000,000 shares, and, as a result, increase the total number of authorized shares from 25,000,000 to 35,000,000. The number of authorized shares of preferred stock will remain at 5,000,000. The Board unanimously approved the Certificate of Amendment to the Restated Certificate of Incorporation, as amended, in substantially the form attached hereto as Exhibit A (the Amendment), declared it to be advisable and hereby seeks approval of the Amendment by the Company's stockholders.

Purpose of the Amendment

The purpose of the Amendment is to increase the total number of authorized shares of our common stock from 20,000,000 shares to 30,000,000 shares. The additional authorized shares are necessary to ensure that there are sufficient authorized shares remaining for the Company's business and financial purposes.

On October 2, 2008, we completed the sale of an aggregate of 2,400,000 shares of our common stock for \$6.50 per share for an aggregate purchase price of \$15.6 million (the Equity Offering). Under the purchase agreements with certain of the investors in the Equity Offering, we granted a right to purchase up to an aggregate of \$10,000,000 of additional shares of our common stock (the Purchase Option) at a price per share equal to the greater of (i) the fair market value of a share of our common stock measured at the date of exercise or (ii) \$7.80 per share. Such right may be exercised by such investors from the time the Company has less than \$10,000,000 in cash and cash equivalents until September 29, 2009. As a result, we may issue up to 1,282,052 shares under the Purchase Option we granted. After the completion of the Equity Offering and taking into account shares of our common stock reserved for issuance under our employee incentive plans and the Purchase Options, we will have approximately 1.5 million authorized shares remaining.

We will be required to raise additional capital to continue to develop our product candidates. We believe it is essential to have enough authorized shares available to provide us with flexibility to conduct future equity offerings when the Board determines that such equity offering is necessary or appropriate. In addition to capital raising activities, we may also need additional shares for other activities, including but not limited to, stock splits, acquiring other companies, businesses or products in exchange for shares of our common stock and other transactions and corporate purposes that our Board deems are in our best interests.

The additional authorized shares would enable the Company to act quickly in response to opportunities that may arise for these types of transactions, in most cases without the necessity of obtaining further stockholder approval and holding a special stockholders meeting before such issuance(s) could proceed, except as provided under Delaware law or under Nasdaq Marketplace Rules. If these shares are not available at the optimum time determined by the Board, any potential offerings could be unduly delayed and could jeopardize the Board's ability to successfully complete such future offering, which could have a negative impact on the value of our shares.

Other than issuances pursuant to our employee incentive plans and the Purchase Option, we have no immediate plans, arrangements or understandings regarding the additional shares that would be authorized pursuant to this proposal. However, we review and evaluate potential capital raising activities, transactions and other corporate actions on an on-going basis to determine if such actions would be in our best interests and our stockholders' best interests.

Table of Contents

Possible Effects of the Amendment

Upon issuance, the additional shares of authorized common stock would have rights identical to the currently outstanding shares of common stock. Adoption of the Amendment would not have any immediate dilutive effect on the proportionate voting power or other rights of existing stockholders. However, to the extent that the additional authorized shares of common stock are issued in the future, they may decrease existing stockholders' percentage equity ownership and, depending on the price at which they are issued, could be dilutive to the voting rights of existing stockholders and have a negative effect on the market price of our common stock.

We have not proposed the increase in the number of authorized shares of common stock with the intention of using the additional authorized shares for anti-takeover purposes, but we would be able to use the additional shares to oppose a hostile takeover attempt or delay or prevent changes in our control or management. For example, without further stockholder approval, we could sell shares of common stock in a private transaction to purchasers who would oppose a takeover or favor the current Board. Although this proposal to increase the authorized number of shares of common stock has been prompted by business and financial considerations and not by the threat of any known or threatened hostile takeover attempt, stockholders should be aware that approval of this proposal could facilitate future efforts by us to oppose changes in control of and perpetuate management, including transactions in which the stockholders might otherwise receive a premium for their shares over then current market prices.

As previously discussed, we could also use the additional shares of common stock for potential strategic transactions including, among other things, acquisitions, spin-offs, strategic partnerships, joint ventures, restructurings, divestitures, business combinations and investments, although we have no present plans to do so. We cannot provide assurances that any such transactions will be consummated on favorable terms or at all, that they will enhance stockholder value or that they will not adversely affect our business or the trading price of our common stock. Any such transactions may require us to incur non-recurring or other charges and may pose significant integration challenges and/or management and business disruptions, any of which could materially and adversely affect our business and financial results.

If this amendment to increase the authorized number of shares of common stock is approved by the stockholders, it will become effective when we file the Certificate of Amendment to the Restated Certificate of Incorporation with the Secretary of State of the State of Delaware.

Recommendation of the Board of Directors

The board of directors recommends that stockholders vote FOR the proposal to amend our Restated Certificate of Incorporation, as amended, and proxies executed and returned will be so voted unless contrary instructions are indicated thereon.

PROPOSALS OF STOCKHOLDERS

Proposals of stockholders to be presented at our next annual meeting of stockholders to be held in 2009 must be received at the office of our Secretary no later than December 12, 2008 in order to be included in our proxy statement and form of proxy relating to that meeting.

Pursuant to our bylaws, a stockholder that intends to present business at our next annual meeting of stockholders to be held in 2009 and has not submitted such proposal by the date set forth above must notify our Secretary by March 25, 2009. If such notice is received after March 25, 2009, then the notice will be considered untimely, and we will not be required to present such business at the 2009 special meeting.

All proposals must comply with applicable SEC regulations and our bylaws as amended to date.
