**Item 1.01. Entry into a Material Definitive Agreement.**

On November 30, 2004, Terayon Communication Systems, Inc. (the Company) entered into a letter agreement with Mark A. Richman, appointing him as the new Chief Financial Officer of the Company effective as of November 30, 2004. Pursuant to the letter agreement, Mr. Richman is to receive an annual salary of \$300,000. Mr. Richman is also eligible to receive an annual bonus of up to seventy-five percent of his base salary, the payment of which is based on the achievement of certain goals to be defined by the Chief Executive Officer of the Company and approved by the Company's Board of Directors. In the event Mr. Richman's employment is terminated by the Company without cause or Mr. Richman terminates his employment with the Company for good reason at any time on or before November 30, 2007, Mr. Richman is entitled to the following severance benefits: (a) a severance payment equal to twelve months of his then base salary; and (b) subject to certain limitations, continuation of his employee benefits, at the Company's expense, for the duration of such twelve months period (collectively, the Severance Benefits).

In connection with his new employment and subject to approval by the Compensation Committee of the Board of Directors, Mr. Richman will be granted an option to purchase 500,000 shares of Common Stock of the Company, at an exercise price per share equal to the closing selling price per share of the Company's common stock on the Nasdaq National Market on the date of the grant. The option will vest over a four year period, twenty-five percent of which will vest on the date of the grant and the remainder will vest on a monthly basis thereafter. The grant will be made pursuant to the stockholder-approved 1997 Equity Incentive Plan of the Company, a copy of which is on file with the Securities and Exchange Commission as Exhibit No. 10.3 to the Company's Annual Report on Form 10-K for the year ended December 31, 2003. The form of individual stock option agreement typically used in connection with grants under the 1997 Equity Incentive Plan, including Mr. Richman's grant, was attached as Exhibit 10.1 to the Company's 8-K filed on September 8, 2004 and is incorporated herein by reference.

Mr. Richman further entered into a severance agreement with the Company, dated as of November 30, 2004. The agreement provides, among other things, that, during the term of the agreement, in the event Mr. Richman's employment with the Company is terminated within twelve months of a change of control of the Company, other than for cause by the Company or for good reason by him, Mr. Richman would be entitled to the following severance benefits: (i) a severance payment equal to one hundred percent of his then base salary and target bonus; (ii) subject to certain limitations, continuation of his employee benefits, at the Company's expense, for the duration of such twelve months period; (iii) full vesting of all of his unvested stock options upon termination of his employment; and (iv) provision of outplacement and career counseling services, at the Company's expense; provided, however, such expense shall not exceed twenty-five percent of Mr. Richman's then base salary. Any severance benefits provided to Mr. Richman under the severance agreement in connection with a change of control of the Company are offset and reduced by the value of the Severance Benefits that Mr. Richman may be entitled to receive under his letter agreement discussed above. The severance agreement is in effect from the commencement date of Mr. Richman's employment to November 30, 2007.
