Explanatory Note

This amended Current Report on Form 8-K is being furnished to correct certain previously announced results of Syltone plc for the six-month period ended September 30, 2003, as described below.

Item 9. Regulation FD Disclosure

On November 13, 2003, Gardner Denver, Inc. (the "Company") issued a press release (the "Press Release") announcing the Company's agreement with the Board of Directors of Syltone plc ("Syltone") to recommend an offer to acquire the outstanding share capital of Syltone, a publicly traded company listed on the London Stock Exchange. Such Press Release is designated as Exhibit 99.1 and incorporated herein by reference.

The Press Release states that: Syltone reported profit before tax of 1.3 million pounds (approximately \$2.1 million) for the six months ended September 30, 2003, 59% higher than 0.8 million pounds (approximately \$1.2 million) for the comparable period of the previous year. This statement is not accurate because it includes financial data regarding Syltone's profit after tax, rather than before tax.

The correct description of the results of Syltone for the six-month period ended September 30, 2003 is as follows:

Edgar Filing: GARDNER DENVER INC - Form 8-K/A

For the six-month period ended September 30, 2003, Syltone reported sales of 42.7 million pounds (approximately \$68.9 million), 15% higher than sales of 37.1 million pounds (approximately \$55.8 million) for the comparable six months of the previous year. Syltone reported profit before tax of 2.0 million pounds (approximately \$3.3 million) for the six months ended September 30, 2003, 53% higher than 1.3 million pounds (approximately \$2.0 million) for the comparable period of the previous year.

These financial results are reported in accordance with accounting principles generally accepted in the UK.
