SECURITIES PURCHASE AGREEMENT

THIS IS A SECURITIES PURCHASE AGREEMENT (this "Agreement") by and between Donny R. Jackson ("Purchaser"), and Independent Bankers Financial Corporation, a Texas corporation ("Seller"), is dated as of June 20, 2002, and by which Purchaser and Seller, in consideration of the agreements set forth below (the mutuality, adequacy and sufficiency of which are hereby acknowledged), hereby agree as follows:

1. Agreement to Purchase and Sell. Upon the terms set forth in this Agreement, Purchaser hereby purchases from Seller and Seller hereby sells to Purchaser 121,224 shares of the common stock, no par value, of Netzee, Inc., a Georgia corporation ("Netzee"), owned by Seller (the "Shares"). The aggregate purchase price for the Shares shall be \$50,000.

2. Closing Deliveries. Simultaneously with the execution of this Agreement, (a) Seller shall deliver to Purchaser a certificate or certificates representing the Shares, duly endorsed for transfer or accompanied by a fully executed stock transfer power; and (b) Purchaser shall deliver to Seller by check or wire transfer the aggregate purchase price of the Shares.

3. Representations and Warranties.

(a) By Seller. Seller hereby represents and warrants to Purchaser that:

(i) Seller is a duly incorporated and organized Texas corporation validly existing and in good standing under Texas law;

(ii) Seller owns of record and beneficially all of the Shares. Seller owns all right, title and interest in and to the Shares, free and clear of any and all liens, charges, security interests or other encumbrances (collectively, "Liens") other than restrictions on transfers arising out of applicable federal and state securities laws. Purchaser will acquire all right, title and interest in and to the Shares, free and clear of any and all Liens, other than restrictions on transfers arising out of applicable federal and state securities laws. There are no shareholder or other similar agreements in effect with respect to the Shares.

(iii) Seller has all necessary power and authority, and has taken all corporate and other action required, to execute, deliver and perform its obligations under this Agreement and sell and deliver the Shares. This Agreement and all other documents and instruments executed and delivered by Seller pursuant hereto have been duly authorized and are valid and binding obligations of Seller, enforceable against Seller in accordance with their respective terms, except as enforceability may be limited by applicable bankruptcy, insolvency and other laws and equitable principles affecting creditors' rights generally and the discretion of the courts in granting equitable remedies. The sale of the Shares by Seller in accordance herewith does not give rise to any rights or obligations to third parties arising pursuant to any agreement or instrument to which Seller is a party or which are otherwise binding on Seller.

(iv) No authorization, consent, approval, license, exemption of or filing or registration with any court or governmental department, commission, board, bureau, agency or instrumentality, domestic or foreign, or any third party, is necessary for, or in connection with, the offer, sale or delivery by Seller of the Shares or for the performance

Edgar Filing: NETZEE INC - Form SC 13D

by Seller of its obligations under this Agreement. There is no action, suit, proceeding or investigation pending or, to Seller's knowledge, threatened against Seller that might call into question the validity of, or hinder the enforceability or performance of, this Agreement or the sale to Purchaser of the Shares or any action taken or to be taken pursuant hereto. Seller is not in default with respect to any order, writ, injunction, decree, ruling or decision or any court, commission, board or other government agency by which Seller is bound that might affect the Shares or the sale to Purchaser thereof.

(v) Neither the execution, delivery or performance by Seller of its obligations under this Agreement and any documents or instruments delivered or executed in connection herewith nor the consummation of the transactions contemplated hereby (including the sale and delivery of the Shares): (x) will violate or conflict with (a) any provision of applicable law, (b) any provision of Seller's governing instruments (including without limitation its Articles of Incorporation and Bylaws or any other similar instruments), (c) any order or decree of any court or government agency applicable to Seller, or (d) any indenture, agreement or other instrument to which Seller is bound, or (y) result in the creation or imposition of any Lien upon any of the Shares.

(vi) No person has or will have, as a result of the transactions contemplated by this Agreement, any right, interest or valid claim against or upon Seller for any commission, fee or other compensation as a finder or broker because of any act or omission by Seller or any agent of Seller.

(vii) Seller is aware that over the last year, Netzee has been considering various corporate transactions, including selling Netzee to a third party, has negotiated with third parties to sell Netzee, and may consummate such a transaction in the future.

(b) By Purchaser. Purchaser hereby represents and warrants to Seller:

(i) Purchaser has all necessary power and authority to purchase the Shares. This Agreement has been duly executed and delivered by Purchaser, and constitutes the legal, valid and binding obligations of Purchaser, enforceable against Purchaser in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency and other laws and equitable principles affecting creditors' rights generally and the discretion of the courts in granting equitable remedies;

(ii) Except for the filing by Purchaser of an SEC Form 4, no authorization, consent, approval, license, exemption or filing or registration with any court or governmental department, commission, board, bureau, agency or instrumentality, domestic or foreign, or any third party, is necessary for, or in connection with, the offer, or purchase by Purchaser of the Shares or for the performance by Purchaser of its obligations under this

- 2 -

Agreement. There is no action, suit, proceeding or investigation pending or, to Purchaser's knowledge, threatened against Purchaser that might call into question the validity of, or hinder the enforceability or performance of, this Agreement or the Purchaser's purchase of the Shares or any action taken or to be taken pursuant hereto. Purchaser is not in default with respect to any order, writ, injunction, decree, ruling or decision or any court, commission, board or other government agency by which Purchaser is bound that might affect the Shares

Edgar Filing: NETZEE INC - Form SC 13D

or the sale to Purchaser thereof.

(iii) Neither the execution, delivery or performance by Purchaser of its obligations under this Agreement and any documents or instruments delivered or executed in connection herewith nor the consummation of the transactions contemplated hereby (including the purchase of the Shares): will violate or conflict with (a) any provision of applicable law, (b) any order or decree of any court or government agency applicable to Purchaser, (c) any indenture, agreement or other instrument to which Purchaser is bound, or (d) any policy of Netzee which has not been waived.

(iv) No person has or will have, as a result of the transactions contemplated by this Agreement, any right, interest or valid claim against or upon Seller for any commission, fee or other compensation as a finder or broker because of any act or omission by Purchaser or any agent of Purchaser.

(v) Purchaser will acquire the Shares for his own account, to hold for investment, and with no present intention of dividing his participation with others or reselling or otherwise participating, directly or indirectly, in a distribution of the Shares, and he will not make any sale, transfer, or other disposition of the Shares in violation of the Securities Act of 1933, as amended (the "Securities Act"), or any applicable state securities laws (the "State Acts"). A legend to such effect will be placed on the certificate or certificates for the Shares.

(vi) Purchaser understands and acknowledges that an investment in the Shares involves a high degree of risk. Purchaser represents that Purchaser is able to bear the economic risk of an investment in the Shares, including a possible total loss of his investment. In making this statement, Purchaser hereby represents and warrants to Seller that Purchaser has adequate means of providing for Purchaser's current needs and contingencies, that Purchaser is able to afford to hold the Shares for an indefinite period and that Purchaser has such knowledge and experience in financial and business matters that Purchaser is capable of evaluating the merits and risks of the investment in the Shares. Further, Purchaser represents that Purchaser has no present need for liquidity in the Shares and Purchaser is willing to accept such investment risks.

(vii) This Agreement is made by Seller with Purchaser in reliance upon Purchaser's representations and covenants made in this Section 3(b), which reliance by its execution of this Agreement Purchaser hereby confirms.

- 3 -

(viii) Purchaser understands that the Shares have not been registered under the Securities Act or any State Acts and are being offered and sold pursuant to exemptions therefrom based in part upon the representations of Purchaser contained herein.

(ix) Purchaser knows of no public solicitation or advertisement of an offer in connection with the offer and sale of the Shares.

(x) Purchaser, who is the President and Chief Executive Officer of Netzee, does not know of any material non-public information concerning Netzee that has not been disclosed to Seller prior to its entering into this Agreement. To Purchaser's knowledge, Netzee's latest annual and quarterly reports filed with the Securities and Exchange Commission (the "SEC") on Forms 10-K and 10-Q, respectively, did not, as of their respective dates, contain any untrue statement of a material fact or omit to state a

Edgar Filing: NETZEE INC - Form SC 13D

material fact required to be stated therein or necessary to make the statements therein not misleading, except for statements that have subsequently been corrected by a subsequent amendment or filing with the SEC.

4. Survival; Indemnification. The representations, warranties and agreements made in this Agreement shall survive the execution of this Agreement. Each party, acknowledging that the other is entitled to rely on its representations, warranties and agreements in this Agreement in order to preserve the benefit of the bargain otherwise represented by this Agreement, agrees that neither the survival of such representations, warranties and agreements, nor their enforceability nor any remedies for breaches of them shall be affected by any knowledge of a party regardless of when or how such party acquired such knowledge.

5. Miscellaneous.

(a) Good Faith Efforts; Further Assurances; Cooperation. The parties shall in good faith undertake to perform their obligations in this Agreement, to satisfy all conditions and to cause the transactions contemplated in this Agreement to be carried out promptly in accordance with the terms of this Agreement. Upon the execution of this Agreement and thereafter, each party shall do such things as may be reasonably requested by the other in order more effectively to consummate or document the transactions contemplated by this Agreement. The parties shall cooperate with each other and their respective counsel, accountants or representatives in connection with any actions required to be taken as part of their respective rights and obligations under this Agreement.

(b) Notices. Each notice, communication and delivery under this Agreement (i) shall be made in writing signed by the party making the same, (ii) shall specify the section of this Agreement pursuant to which it is given, (iii) shall be given either in person or by a nationally recognized next business day delivery service or by facsimile, and (iv) if not given in person, shall be given to a party at the address set forth below such party's signature (or at such other address as a party may furnish to the other party to this Agreement pursuant to this Section 5(b)). If notice is given pursuant to this Section 5(b) of a permitted successor or assign of a party, then notice shall also thereafter be given as set forth above to such successor or assign of such party.

- 4 -

(c) Assignment. No assignment or transfer of either parties respective rights and obligations under this Agreement shall be made by merger or other operation of law, and any such attempted assignment shall be null and void. This Agreement is binding upon the parties and their successors and assigns and inures to the benefit of the parties and their permitted successors and assigns and, when appropriate to effect the binding nature of this Agreement for the benefit of the other parties, of any other successor or assign.

(d) Severability. Any determination by any court of competent jurisdiction of the invalidity of any provision of this Agreement that is not essential for accomplishing its purposes shall not affect the validity of any other provision of this Agreement, which shall remain in full force and effect and which shall be construed as to be valid under applicable law.

(e) Controlling Law; Integration; Amendment; Waiver. This Agreement is governed by, and shall be construed and enforced in

Edgar Filing: NETZEE INC - Form SC 13D

accordance with, the laws of the State of Georgia (except the laws of that state that would render such choice of laws ineffective). This Agreement supersedes all prior negotiations, agreements and understandings between the parties as to its subject matter, constitutes the entire agreement between the parties as to its subject matter and may not be altered or amended except in writing signed by the parties. The failure of any party at any time or times to require performance of any provision of this Agreement shall in no manner affect the right to enforce the same; and no waiver by any party of any provision or of a breach of any provision of this Agreement, whether by conduct or otherwise, in any one of more instances shall be deemed or construed either as a further or continuing waiver of any such provision or breach or as a waiver of any other provision or of a breach of any other provision of this Agreement.

(f)

(g) Confidentiality. Each of the parties hereto shall keep confidential and shall not disclose to any other person any discussions, agreements and information with respect to or concerning the transactions described herein, except for disclosures made to its or his employees, agents and advisors on a need-to-know basis. Further, the foregoing restrictions shall not apply to information that has entered the public domain other than by an unauthorized disclosure by either party or any of their affiliates, or any information required to be disclosed by a governmental authority or judicial process.

(h) Counterparts. This Agreement may be executed in two or more copies, each of which shall be deemed an original, and it shall not be necessary in making proof of this Agreement or its terms to produce or account for more than one of such copies.
