PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON JUNE 2, 2005

----- INTRODUCTION

GENERAL

This Proxy Statement is being furnished to the shareholders of The Enstar Group, Inc. (the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board") for use at the Annual Meeting of Shareholders to be held on Thursday, June 2, 2005 (the "Annual Meeting"), at the Embassy Suites Hotel at 300 Tallapoosa Street, Montgomery, Alabama 36104, 9:00 a.m., local time, and at any adjournment thereof.

RECORD DATE

The Board has fixed April 1, 2005 as the record date (the "Record Date") for the determination of shareholders entitled to notice of, and to vote at, the Annual Meeting. Only holders of common stock, par value \$.01 per share, of the Company ("Common Stock") as of the Record Date are entitled to vote at the Annual Meeting or any adjournment thereof. On the Record Date, the Company had issued and outstanding 5,517,909 shares of Common Stock. Each share of Common Stock is entitled to one vote at the Annual Meeting. No cumulative voting rights are authorized, and appraisal rights for dissenting shareholders are not applicable to the matters being proposed. It is anticipated that this Proxy Statement will be first mailed to shareholders of the Company on or about April 20, 2005.

VOTING AND PROXIES

When the enclosed form of proxy is properly executed and returned, the shares it represents will be voted as directed at the Annual Meeting and any adjournment thereof or, if no direction is indicated, such shares will be voted in favor of the proposals set forth in the Notice attached hereto. Any shareholder giving a proxy has the power to revoke it at any time before it is voted. All proxies delivered pursuant to the solicitation are revocable at any time at the option of the persons executing them by giving written notice to the Secretary of the Company, by delivering a later-dated proxy or by voting in person at the Annual Meeting. If Common Stock owned by a shareholder is registered in the name of more than one person, each such person should sign the enclosed proxy. If the proxy is signed by an attorney, executor, administrator, trustee, guardian or by any other person in a representative capacity, the full title of the person signing the proxy should be given and a certificate should be furnished showing evidence of appointment. Any beneficial owner of shares of Common Stock as of the Record Date who intends to vote such shares in person at the Annual Meeting must obtain a legal proxy from the record owner and present such proxy at the Annual Meeting in order to vote such shares. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspector of elections appointed for the meeting who will also determine whether a quorum is present for the transaction of business.

The presence in person or by proxy of holders of a majority of the shares of Common Stock outstanding on the Record Date will constitute a quorum for the transaction of business at the Annual Meeting or any adjournment thereof. The affirmative vote of a plurality of the shares of Common Stock present in person or by proxy and entitled to vote is required to elect directors. The affirmative vote of the majority of the shares of Common Stock represented at the Annual Meeting and entitled to vote on the subject matter is required with

respect to the ratification of the appointment of Deloitte & Touche LLP as the Company's independent auditors and any other matter that may properly come before the Annual Meeting. At the Annual Meeting, votes cast for or against any matter may be cast in person or by proxy. Shares of Common Stock held by nominees for beneficial owners will be counted for purposes of determining whether a quorum is present if the nominee has the discretion to vote on at least one of the matters presented, even if the nominee may not exercise discretionary voting power with respect to other matters and voting instructions have not been received from the beneficial owner (a "broker non-vote"). Broker non-votes will not be counted as votes for or against matters presented for shareholder consideration. Abstentions with respect to a proposal are counted for purposes of establishing a quorum. If a quorum is present, abstentions have the effect of a negative vote against any proposal, except for the election of directors.

As of the date of this Proxy Statement, management of the Company has no knowledge of any business other than that described herein which will be presented for consideration at the Annual Meeting. In the event any other business is properly presented at the Annual Meeting, it is intended that the persons named in the enclosed proxy will have authority to vote such proxy in accordance with their judgment on such business.

ELECTION OF DIRECTORS
(ITEM 1)

BOARD OF DIRECTORS

In accordance with the Bylaws of the Company, the Board currently consists of seven members. The Company's Articles of Incorporation divide the Board into three classes. Directors for each class are elected to serve a term of three years at the annual meeting of shareholders held in the year in which the term for such class expires. Nominees for vacant or newly created director positions stand for election at the next annual meeting following the vacancy or creation of such director positions, to serve for the remainder of the term of the class in which their respective positions are apportioned. The terms of two current directors, Nimrod T. Frazer and John J. Oros, expire at the Annual Meeting. At the Annual Meeting, Nimrod T. Frazer and John J. Oros will stand for election to serve as directors for three-year terms expiring at the 2008 annual meeting of shareholders, or until their successors are duly elected and qualified. In accordance with the Bylaws of the Company, a director who is not also an employee of the Company may serve as a director only until the next annual meeting following such director's 70th birthday.

The Board has no reason to believe that any of the nominees for the office of director will be unavailable for election as directors. However, if at the time of the Annual Meeting any nominee should be unable or decline to serve, the persons named in the proxy will vote as recommended by the Board either (i) to elect a substitute nominee recommended by the Board, (ii) to allow the vacancy created thereby to remain open until filled by the Board or (iii) to reduce the number of directors for the ensuing year. In no event, however, can a proxy be voted to elect more than two directors. The election of the nominees to the Board requires the affirmative vote of a plurality of the shares held by shareholders present and voting at the Annual Meeting in person or by proxy.

RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board recommends a vote FOR Nimrod T. Frazer and John J. Oros to hold office until the 2008 annual meeting of shareholders, or until their successors are duly elected and qualified.

THE BOARD OF DIRECTORS

The Board has determined that each of T. Whit Armstrong, T. Wayne Davis, Gregory L. Curl, and Paul J. Collins is an "independent director" as such term is defined in Rule 4200(a)(15) of the Marketplace Rules of the National Association of Securities Dealers (the "NASD"). During part of 2004, until his resignation from the Board effective immediately prior to the annual meeting, Jeffrey S. Halis also served as an "independent director" on the Board.

During 2004, the Company had an Audit Committee that was composed of T. Whit Armstrong, Chairman, T. Wayne Davis, Gregory L. Curl, Paul J. Collins and, until his resignation from the Board, Jeffrey S. Halis. The Board has determined that each Audit Committee member meets the independence standards for audit committee members, as set forth in the Sarbanes-Oxley Act of 2002 and the NASD listing standards, and the NASD's financial knowledge requirements. The Board has determined that Mr. Curl is an "audit committee financial expert," as such term is defined in Securities and Exchange Commission (the "Commission") regulations, and that Mr. Curl and Mr. Armstrong meet the NASD's professional experience requirements. The Audit Committee is responsible for, among other things, appointing (subject to shareholder ratification) the accounting firm that will serve as independent auditors for the Company and reviewing and pre-approving all audit and non-audit services provided to the Company by its independent auditors. The Audit Committee is also responsible for overseeing the Company's financial reporting and accounting practices and monitoring the adequacy of internal accounting, compliance and control systems. The Board has adopted a written charter for the Audit Committee (the "Audit Committee Charter") which complies with the applicable requirements of the Sarbanes-Oxley Act of 2002 and related rules of the Commission and the NASD. The Audit Committee Charter is attached to this Proxy Statement as Annex A.

During 2004, the Company had a Compensation Committee that was composed of T. Wayne Davis, Chairman, T. Whit Armstrong and J. Christopher Flowers. Other than Mr. Flowers, each director who served on the Compensation Committee during fiscal 2004 qualifies as a "non-employee director" as such term is defined in Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and an "independent director" as such term is defined in NASD Rule 4200(a)(15). Mr. Flowers served as an officer of the Company until July 2003. In addition, as described below under the heading "Certain

Edgar Filing: ENSTAR GROUP INC - Form DEF 14A

Transactions," Mr. Flowers and the Company have entered into numerous transactions, directly and indirectly. The Board has determined that Mr. Flowers' membership on the Compensation Committee is in the best interests of the Company and its shareholders, because as the Company's largest shareholder and as one who is well acquainted with the Company's officers and employees, Mr. Flowers is in a unique position to determine the contributions made by each such officer and employee. The Compensation Committee is responsible for, among other things, reviewing, determining and establishing, upon the recommendation of the Chief Executive Officer (with the exception of the compensation of the Chief Executive Officer) salaries, bonuses and other compensation for the Company's executive officers and for administering the Company's stock option plans.

The Company does not have a nominating committee or a nominating committee charter. It is the position of the Board that, given the small size of the Board, it is appropriate for the independent directors, rather than a separate committee comprised of most or all of such independent directors, to recommend director candidates. In November 2003, the Board adopted a resolution regarding the nomination of directors. Pursuant to such resolution, director nominees must be recommended to the Board by a majority of the "independent directors" as such term is defined in NASD Marketplace Rule 4200(a)(15). The Board has determined that each of T. Wayne Davis, T. Whit Armstrong, Paul J. Collins and Gregory L. Curl is an independent director (the "Independent Directors"). When identifying and reviewing director nominees the Independent Directors consider the nominees' personal and professional integrity, ability and judgment and other factors deemed appropriate by the Independent Directors. For incumbent directors, the Independent Directors review each director's overall service to the Company during such director's term, including the number of meetings attended, level of participation and quality of performance. The Independent Directors considered and nominated the candidates proposed for election as directors at the Annual Meeting, with the Board unanimously agreeing on all actions taken in this regard.

4

During 2004, the Board held a total of 4 meetings, the Audit Committee held a total of 5 meetings and the Compensation Committee held no meetings. In addition, the Independent Directors met in an executive session of the Board a total of 5 times. All directors attended all of the meetings of the Board and all committees on which they served during 2004, except for T. Wayne Davis, who did not attend one meeting of the Audit Committee. Jeffrey S. Halis attended meetings only until the effective time of his resignation from the Board. Directors are encouraged but not required to attend the Annual Meeting. All directors attended the 2004 annual meeting of shareholders, except for Paul J. Collins, who was elected a director at that meeting.

COMMUNICATIONS WITH THE BOARD

Shareholders may communicate with the Board by sending an email to treasurer@enstargroup.com or by sending a letter to Enstar Board of Directors, c/o the Treasurer, 401 Madison Avenue, Montgomery, Alabama 36104. The Treasurer will receive the correspondence and forward it to the Chairman of the Audit Committee or to any individual director or directors to whom the communication is directed. The Treasurer has the authority to discard or disregard any inappropriate communications or to take other appropriate actions with respect to such inappropriate communications.

COMPENSATION OF DIRECTORS

Directors who are not employees of the Company receive a quarterly retainer fee of \$6,250 and per meeting fees as follows: (i) \$2,500 for each Board meeting attended other than a telephone Board meeting; (ii) \$1,000 for each telephone

Edgar Filing: ENSTAR GROUP INC - Form DEF 14A

Board meeting attended; (iii) \$1,000 for each Committee meeting attended; and (iv) \$1,500 for each Committee meeting attended by a Committee Chairperson. In addition, each Committee Chairperson receives a quarterly retainer fee of \$500. Such outside directors' fees are payable at the election of the director either in cash or in stock units under the Company's Deferred Compensation and Stock Plan for Non-Employee Directors (the "Deferred Plan"). If the director elects to receive stock units instead of cash, the stock units shall be payable only upon the director's termination. The number of shares to be distributed in connection with such termination would be equal to one share of Common Stock for each stock unit and cash would be paid for any fractional units. The distribution of stock units is also subject to acceleration upon certain events constituting a change in control of the Company. All current non-employee directors, other than Gregory L. Curl, have elected to receive 100% of their compensation in stock units in lieu of cash payments for the retainer and meeting fees. Mr. Curl has elected to receive a portion of his compensation in cash. As of December 31, 2004, a total of \$886,062 in stock compensation had been deferred under the Deferred Plan. In addition, directors are entitled to reimbursement for out-of-pocket expenses incurred in attending all meetings.

During 2004, no options to purchase shares of Common Stock were granted to directors for their service as directors.

REPORT OF COMPENSATION COMMITTEE

The Compensation Committee of the Board (the "Compensation Committee") was created in 1996 and currently consists of Messrs. Davis, Armstrong and Flowers. The Compensation Committee is responsible for (i) establishing the compensation of the Company's Named Executive Officers upon the recommendation of the Chief Executive Officer (with the exception of the compensation of the Chief Executive Officer) and (ii) considering the issuance of stock options for executive officers and directors. Mr. Frazer, the Company's Chief Executive Officer, is responsible for recommending to the Compensation Committee the compensation for the other executive officers of the Company. The Compensation Committee has reviewed the applicability of Section 162(m) of the Internal Revenue Code of 1986. Section 162(m) may in certain circumstances deny a federal income tax deduction for compensation to an executive officer that is in excess of \$1 million per year. It is not anticipated that compensation to any executive officer of the Company during 2005 will exceed the \$1 million threshold.

Compensation Policy and Overall Objectives. The Company's executive compensation policy is designed to attract, retain and motivate executive officers needed to achieve the Company's strategic objectives and to maximize the Company's performance and shareholder value.

The Company supports these goals through a compensation strategy principally involving competitive salaries and long-term incentive opportunities. Compensation consists of both fixed pay elements (base salary and benefits) and long-term incentives to encourage and reward distinctive contributions to the success of the organization. Salary and benefit levels reflect position responsibilities and strategic importance and are targeted at market median base salary levels. Total cash compensation has been below market median levels because the Company has not paid annual bonuses. Long-term incentive opportunities reward key executives for financial and non-financial performance that enhances shareholder value. Long-term incentive opportunities have been at or above market median levels.

Edgar Filing: ENSTAR GROUP INC - Form DEF 14A

The Company retained an independent compensation consulting firm to assist it in analyzing its executive compensation program for 1997 and thereafter. The consulting firm recommended that the Company adopt a policy of providing a significant percentage of certain executive officers' total compensation based on the Company's performance. In addition, the consultant provided the Compensation Committee with an analysis of senior executive compensation using published survey data for the financial services industry. In 2003, the Compensation Committee again retained an independent compensation consulting firm, which provided it with an updated analysis of senior executive compensation using published industry data. The Compensation Committee considered these recommendations and the compensation analyses in establishing the base salaries for the Chief Executive Officer, the Chief Operating Officer and the other executive officers for 2004 and prior years. The base salaries for the Chief Executive Officer, Chief Operating Officer and other executive officers have not changed since 2003.

Base Salary. Each executive officer's base salary, including Mr. Frazer's base salary, is determined based upon a number of factors including the executive officer's responsibilities, contribution to the achievement of the Company's business plan goals, demonstrated leadership skills and overall effectiveness and length of service. Base salaries are also designed to be competitive with those offered in the various markets in which the Company competes for executive talent and are analyzed with a view towards desired base salary levels over a three-year to five-year time period. Although these and other factors are considered in setting base salaries, no specific weight is given to any one factor.

Cash Bonuses. The Company did not pay any cash bonuses to the Named Executive Officers during 2004.

Long-Term Incentives. Long-term incentives are provided pursuant to the CEO Plan, the 1997 Outside Directors' Plan, the 2001 Outside Directors' Plan, the Incentive Plan, as amended, and the Deferred Plan. Stock option plans are designed to encourage and reward distinctive contributions to the Company's success and to align executives' and shareholders' interest in the enhancement of shareholder value. Stock options are used by the Company to encourage long-term service by executives. No stock options were granted in 2004.

Severance and Employment Agreements. The Compensation Committee approved severance agreements for Nimrod T. Frazer, Cheryl D. Davis and Amy M. Dunaway in March 1998 (the "Severance

12

Agreements"). The Severance Agreements provide that Nimrod T. Frazer, Cheryl D. Davis and Amy M. Dunaway will receive their base salary for a period of twelve months following a termination of employment, other than for "cause," as defined in the Severance Agreements, or a voluntary termination.

The Compensation Committee also approved an employment agreement with John J. Oros in March 2000 (the "Employment Agreement"). The Employment Agreement provides for an initial one year term and automatic renewal for successive one year terms thereafter, subject to earlier termination as provided in the Employment Agreement. The Employment Agreement provides an annual base salary to Mr. Oros to be determined by the Board and reimbursement of up to \$50,000 annually for office related expenses incurred by Mr. Oros in connection with the performance of his duties with the Company. The Employment Agreement also provides that the Board may award to Mr. Oros such bonuses, and in such amounts, as the Board shall determine in its sole discretion. In fiscal 2004, Mr. Oros received an annual base salary of \$363,462.

Edgar Filing: ENSTAR GROUP INC - Form DEF 14A

Chief Executive Officer Compensation. Mr. Frazer does not have an employment agreement with the Company. The Compensation Committee is responsible for determining Mr. Frazer's compensation annually. In fiscal 2004 Mr. Frazer received an annual base salary of \$363,462. Mr. Frazer's base salary was based on, among other things, his responsibilities, his length of service, his contributions to the business and his overall leadership skills.

THE FOREGOING REPORT SHOULD NOT BE DEEMED INCORPORATED BY REFERENCE BY ANY GENERAL STATEMENT INCORPORATING BY REFERENCE THIS PROXY STATEMENT INTO ANY FILING UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR UNDER THE SECURITIES EXCHANGE ACT OF 1934, AS AMENDED (TOGETHER, THE "ACTS"), EXCEPT TO THE EXTENT THAT THE COMPANY SPECIFICALLY INCORPORATES THIS INFORMATION BY REFERENCE, AND SHALL NOT OTHERWISE BE DEEMED FILED UNDER SUCH ACTS.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

As described earlier in this Proxy Statement, the Company has a Compensation Committee of the Board composed of T. Wayne Davis, Chairman, T. Whit Armstrong and J. Christopher Flowers. As described below under the heading "Certain Transactions", Mr. Flowers and the Company have entered into numerous transactions, directly and indirectly. The Company believes that the terms of such transactions are no less favorable to the Company than would have been the case had such transactions been consummated with unrelated parties. The Board was made aware of all such transactions.

AUDIT COMMITTEE REPORT

The Audit Committee reviews the Company's financial reporting process on behalf of the Board. Management is responsible for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible for reviewing the Company's quarterly financial statements and for expressing an opinion on the conformity of the audited financial statements with accounting principles generally accepted in the United States.

Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management and the opinions and communications of the Company's independent auditors. Accordingly, the Audit Committee's review does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's activities do not assure that the audit of the Company's financial statements has been carried out in accordance with generally

13

accepted auditing standards, that the financial statements are presented in accordance with accounting principals generally accepted in the United States of America or that the Company's independent auditors are in fact independent.

In fulfilling its responsibilities:

- The Audit Committee reviewed and discussed the audited financial statements contained in the 2004 Annual Report on Form 10-K with the

Edgar Filing: ENSTAR GROUP INC - Form DEF 14A

Company's management and the independent auditors prior to the filing of the Form 10-K with the Commission.

- The Audit Committee reviewed and discussed the unaudited financial statements contained in the Company's Quarterly Reports on Form 10-Q for each of the quarters ended in 2004 with the Company's management and the independent auditors prior to the filing thereof with the Commission.
- The Audit Committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees) and Rule 2-07 of Regulation S-X.
- The Audit Committee received from the independent auditors written disclosures regarding the auditors' independence, as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and discussed with the auditors their independence from the Company and its management.

In reliance on the reviews and discussions noted above and subject to the limitations set forth above, the Audit Committee approved the inclusion of the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the Commission.

CERTAIN TRANSACTIONS

In February 2002, the Company entered into an agreement with J.C. Flowers & Co. LLC, running through November 2005, for the use of certain office space and administrative services from J.C. Flowers & Co. LLC for an annual payment of \$66,000. J.C. Flowers & Co. LLC is managed by J. Christopher Flowers ("Mr. Flowers"), a member of the Board and the Company's largest shareholder.

In November 2002, the Company received a commitment fee of approximately \$208,000 in connection with a standby purchase commitment entered into by the Company through a newly-formed Canadian limited partnership with J.C. Flowers I LP, Shinsei Bank, Ltd. ("Shinsei") and Fitzwilliam (SAC) Insurance Limited ("Fitzwilliam"). The Company's share of the commitment, in the amount of approximately \$10 million, was for the purchase of ordinary shares of Zurich Financial Services ("Zurich"), a Swiss

16

company engaged in providing insurance-based financial services, to be issued in connection with a rights offering by Zurich to its existing shareholders. The commitment was never required to be executed and no funds were contributed by the Company. J.C. Flowers I LP is a private investment fund managed by Mr. Flowers. Mr. Flowers also is a director of Shinsei. Fitzwilliam is a wholly owned subsidiary of Castlewood Holdings Limited ("Castlewood Holdings"). The Company holds a 32.89% economic interest in Castlewood Holdings and 50% of Castlewood Holdings' voting stock.

No fees were paid by the Company or will be payable by the Company to J.C. Flowers I LP, JCF Associates I LLC, or Mr. Flowers in connection with the Company's standby purchase commitment to Zurich.

During 2003, the Company funded approximately \$15.3 million to JCF CFN LLC and related entities (collectively, the "JCF CFN Entities") in exchange for a 60% interest in such entities. The JCF CFN Entities are controlled by JCF Associates I LLC, the managing member of which is Mr. Flowers. In addition, Castlewood Holdings funded approximately \$10.2 million to the JCF CFN Entities in exchange for a 40% interest, which is reflected in the Company's financial statements as a minority interest. The Company owns a one-third economic interest in Castlewood Holdings and 50% of its voting stock. The JCF CFN Entities were formed to serve as members of Green Tree Investment Holdings LLC (formerly know as CFN Investment Holdings LLC) and related entities (collectively, "Green Tree"), which, in turn, were formed to effect the acquisition of a portfolio of home equity and manufactured housing loan securities and the associated servicing businesses from Conseco Finance Corp. ("Conseco Finance").

Edgar Filing: ENSTAR GROUP INC - Form DEF 14A

The JCF CFN Entities invested in Green Tree together with affiliates of J.C. Flowers I LP, affiliates of Fortress Investment Group LLC and affiliates of Cerberus Capital Management, L.P. J.C. Flowers I LP is a private investment fund, the general partner of which is JCF Associates I LLC. In June 2003, the JCF CFN Entities invested approximately \$25.1 million in exchange for a 3.995% interest in Green Tree. Green Tree completed the purchase of certain assets of Conseco Finance for approximately \$630 million in cash plus certain assumed liabilities. The assets consist primarily of a portfolio of home equity and manufactured housing loan securities as well as the associated servicing businesses. The JCF CFN Entities accounted for the investment in Green Tree under the equity method of accounting. Because the JCF CFN Entities are consolidated, Green Tree was treated as a partially owned equity affiliate of the Company.

In July 2004, the JCF CFN Entities, along with certain affiliates of J.C. Flowers I LP, completed the sale of their entire interests in Green Tree to FIT CFN Holdings LLC, an affiliate of Fortress Investment Group LLC, and Cerberus Green Tree Investments, LLC and Cerberus JCF Coinvest, LLC, each an affiliate of Cerberus Capital Management L.P. In exchange for their entire interest, the JCF CFN Entities received aggregate sales proceeds of approximately \$40 million in cash. Of this amount, the Company received aggregate sales proceeds of approximately \$24 million and Castlewood Holdings received aggregate sales proceeds of approximately \$16 million. The proceeds received by the JCF CFN Entities at completion of the sale were reduced by prior cash distributions of approximately \$7.2 million made by Green Tree during 2004. The Company recorded a pre-tax realized gain of approximately \$6.9 million on the sale.

No fees were paid by the Company or will be payable by the Company to J.C. Flowers I LP, JCF Associates I LLC, or Mr. Flowers in connection with the Company's investment in JCF CFN.

In March 2003, the Company announced that Castlewood Holdings and Shinsei acquired The Toa-Re Insurance Company (UK) Limited, a London-based subsidiary of The Toa Reinsurance Company, Limited, for approximately \$46 million. The acquisition was effected through a newly formed Bermuda company, which is jointly owned by Castlewood Holdings and Shinsei. Castlewood Holdings has a 50.1% economic and 50% voting interest in the newly formed Bermuda company. Mr. Flowers is a director of Shinsei.

In May 2003, the Company received a commitment fee of approximately \$82,000 in connection with a standby purchase commitment entered into by the Company through a newly-formed Cayman Islands limited partnership with J.C. Flowers I LP, Shinsei and Castlewood Holdings. The commitment was for the purchase of new shares of Allianz Aktiengesellschaft ("Allianz"), a German company, to be issued in connection with a

17

rights offering by Allianz to its existing shareholders. The commitment was never executed and no funds were contributed by the Company.

During 2004, Castlewood Holdings, through one of its subsidiaries, invested a total of approximately \$9.1 million in Cassandra Equity LLC and Cassandra Equity (Cayman) LP (collectively, "Cassandra"), for a 27% interest in each. Cassandra was formed to invest in equity shares of a publicly traded international reinsurance company. J.C. Flowers I LP also owns a 27% interest in Cassandra. J.C. Flowers I LP is a private investment fund, the general partner of which is JCF Associates I LLC. Mr. Flowers is the managing member of JCF Associates I LLC. In March 2005, Cassandra sold all of its holdings for total proceeds of approximately \$40.0 million. Castlewood Holdings' proportionate

Edgar Filing: ENSTAR GROUP INC - Form DEF 14A

share of the proceeds was approximately \$10.8 million.

(AS AMENDED AND RESTATED MAY 29, 2003)

The Board of Directors of The Enstar Group, Inc. (the "Company") has constituted and established an Audit Committee (the "Committee") with the authority, responsibility and specific duties as described herein. This document replaces and supercedes in its entirety the previous Charter of the Committee.

PURPOSE

Edgar Filing: ENSTAR GROUP INC - Form DEF 14A

The Committee is appointed by the Board of Directors to assist the Board of Directors in its oversight of: (1) the integrity of the Company's financial statements and the Company's systems of internal controls regarding finance, accounting and ethics established by management and the Board of Directors, (ii) the Company's compliance with legal and regulatory requirements, (iii) the independent auditor's qualifications and independence and (iv) the performance of independent auditors, including the Company's auditing, accounting and financial reporting process generally. The Committee shall also prepare the report of the Committee to be included in the Company's annual proxy statement. In doing so, it is the responsibility of the Committee to:

- serve as an independent and objective party to monitor the Company's financial statements and the financial reporting process and systems of internal financial and accounting controls;
- review and appraise the audit efforts of the Company's independent auditors; and
- maintain open communication among the independent auditors, management, employees and the Board of Directors.

The independent auditor is ultimately accountable to the Board of Directors and the Committee, as representatives of the Company's stockholders, and shall report directly to the Committee. The Committee has the sole authority and direct responsibility to select, appoint, evaluate, compensate and oversee the work, and, if necessary, terminate and replace the independent auditor (subject, if applicable, to shareholder ratification). The Committee shall have authority to conduct or authorize investigations into any matters within its scope of responsibilities. Any independent auditors retained by the Company are ultimately accountable to the Committee and shall report directly to the Committee.

DUTIES AND RESPONSIBILITIES

The primary duties and responsibilities of the Committee are to oversee, on behalf of the Board of Directors, the independent auditors, the Company's internal accounting controls and auditing functions, and the financial reporting process and to report the results of its activities to the Board of Directors. Management is responsible for preparing the Company's financial statements and the independent auditors are responsible for auditing those financial statements. The Committee's role is not to provide expert or special assurance as to the Company's financial statements or any professional certification as to the independent auditor's work.

This Charter is intended to be flexible so that the Committee is able to meet changing conditions. The Committee is authorized to take such further actions as are consistent with the following responsibilities and to perform such other actions as applicable law, the applicable rules of Nasdaq, the Securities Exchange Act of 1934 (the "Exchange Act"), the rules and regulations of the Securities and Exchange Commission (the "Commission"), the Company's charter documents and/or the Board of Directors may require.
