**Item 1.01                      Entry into a Material Definitive Agreement**

On June 26, 2007, Olin Corporation (“Olin”) entered into a \$100,000,000 aggregate principal amount 364-day revolving credit facility (the “\$100,000,000 Credit Facility”) and a \$150,000,000 aggregate principal amount 364-day revolving credit facility (the “\$150,000,000 Credit Facility” and, together with the \$100,000,000 Credit Facility, the “Credit Facilities”) with a syndicate of lenders and Citibank, N.A., as administrative agent. The \$100,000,000 Credit Facility matures on June 24, 2008 or, if earlier, upon (a) an increase in the commitments under Olin’s existing revolving credit facility and (b) the establishment by Olin of an accounts receivable securitization program. The \$150,000,000 Credit Facility matures on June 24, 2008. Subject to specified exceptions, commitments and amounts outstanding under the Credit Facilities will be reduced and repaid upon Olin’s receipt of net proceeds from the issuance of equity or the incurrence of indebtedness.

The obligations under the Credit Facilities are obligations of Olin, are not guaranteed by any subsidiary of Olin and are unsecured. Borrowings under the Credit Facilities will bear interest at a per annum rate equal to, at Olin’s election, a base rate or the London interbank offered rate plus an interest rate spread determined by reference to a pricing grid based on Olin’s total leverage ratio.

Borrowings under the Credit Facilities are subject to the satisfaction of customary conditions, including the accuracy of representations and warranties and the absence of defaults and, in the case of the initial borrowing, the satisfaction of the conditions to the closing of Olin’s previously announced acquisition of all of Pioneer Companies, Inc.’s outstanding common stock.

The Credit Facilities contain customary representations, warranties and affirmative and negative covenants which are substantially similar to those included in Olin’s existing revolving credit facility. Olin’s obligations under the Credit Facilities may be accelerated upon customary events of default, including non-payment of principal or interest, breaches of covenants, cross-defaults to other material debt and specified bankruptcy events.

Olin intends to use the proceeds of borrowings under the Credit Facilities for general corporate purposes, including payment of a portion of the purchase price of Olin’s previously announced acquisition of all of Pioneer Companies, Inc.’s outstanding common stock. As of the close of business on June 28, 2007, there were no borrowings outstanding under the Credit Facilities.

The Credit Facilities are in addition to Olin’s existing revolving credit facility, which will remain available to Olin in accordance with its terms.

The foregoing description of the Credit Facilities does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Credit Facilities, which are attached as Exhibits 10.1 and 10.2 hereto and incorporated herein by reference.
