

ITEM 1.01 – ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

New Senior Unsecured Credit Facility

On June 23, 2015, Olin Corporation (“Olin”) and its indirectly wholly-owned subsidiary Olin Canada ULC (“Olin Canada”) entered into a Credit Agreement (the “Credit Agreement”) with a syndicate of lenders and Wells Fargo Bank, National Association, as administrative agent (the “Administrative Agent”), in connection with the proposed combination of Olin’s business with The Dow Chemical Company’s (“TDCC”) chlorine products business (the “Business”), through the merger (the “Merger”) of Blue Cube Acquisition Corp., Olin’s wholly-owned subsidiary, and Blue Cube Spinco Inc. (“Spinco”), a wholly-owned subsidiary of TDCC. The Merger and the transactions related to the Merger are described in Olin’s Registration Statement on Form S-4 filed with the Securities and Exchange Commission (the “SEC”) on May 8, 2015, as amended by Amendment No. 1, filed with the SEC on June 22, 2015, are referred to herein as the “Transactions”. The Credit Agreement provides for (i) a revolving credit facility under which Olin and Olin Canada may obtain loans and letters of credit in an aggregate amount of up to \$500,000,000 (the “Revolving Credit Facility”) and (ii) a term credit facility (the “Term Loan Facility”) under which Olin may obtain term loans in an aggregate amount of up to \$1,350,000,000, subject to reduction by the aggregate amount of term loans funded to Spinco under the Spinco Credit Agreement (as defined below).

Loans and letters of credit under the Senior Credit Facilities will be available upon the consummation of the Transactions (the “Closing Date”), subject to customary conditions precedent for facilities of this type, including among others (a) the accuracy of certain representations and warranties related to Olin and Spinco, (b) the absence of a material adverse change in the business, results of operations or financial condition of the Business, (c) the substantially concurrent closing of the Merger, (d) the substantially concurrent refinancing of Olin’s existing \$415,000,000 senior credit facilities (the “Existing Senior Facilities”) and the credit agreement governing the existing indebtedness of Dow-Mitsui Chlor-Alkali LLC, a joint venture between TDCC and Mitsui & Co. Texas Chlor-Alkali, Inc. and (e) the receipt by the Administrative Agent of copies of any IRS letter ruling and the legal opinions delivered to TDCC, Spinco and/or Olin regarding the tax-free nature of certain components of the Transactions. The commitments in respect of the Senior Credit Facilities will automatically terminate if the Closing Date has not occurred on or prior to December 26, 2015, subject to extension to March 26, 2016 if the outside closing date for the Merger has been extended in order to obtain certain antitrust approvals or because of an injunction or other law or government order that makes the consummation of the Transactions illegal.

The proceeds of the Term Loan Facility will be used to (i) refinance indebtedness outstanding under the Existing Senior Facilities, (ii) pay fees and expenses in connection with the Transactions and (iii) obtain additional funds for general corporate purposes. The proceeds of the Revolving Credit Facility will be used for general corporate purposes.

The obligations under the Senior Credit Facilities are obligations of Olin and, with respect to advances made under the Revolving Credit Facility, Olin Canada, and are unsecured. The obligations of Olin Canada under the Senior Credit Facilities are guaranteed by Olin and, following the closing of the Merger, will be guaranteed by Spinco. Borrowings under the Senior Credit Facilities will bear interest at a per annum rate equal to a “base rate” or “Eurodollar rate” plus an interest rate spread determined by reference to a pricing grid based on Olin’s total leverage ratio.

Revolving borrowings and issuances of letters of credit under the Senior Credit Facilities are subject to the satisfaction of customary conditions, including the accuracy of representations and warranties and the absence of defaults.

The Senior Credit Facilities contain customary representations, warranties and affirmative and negative covenants which are substantially similar to those included in Olin's Existing Senior Facilities, except that (i) Olin will be required to maintain a total leverage ratio of no more than 4.50 to 1.00 as of the end of each of the first six full fiscal quarters ending after the Closing Date, no more than 4.25 to 1.00 as of the end of each of the next two fiscal quarters ending after the Closing Date, no more than 4.00 to 1.00 as of the end of each of the next two fiscal quarters ending after the Closing Date and no more than 3.75 to 1.00 as of the end of each fiscal quarter thereafter and (ii) Olin will be required to maintain an interest coverage ratio of not less than 3.50 to 1.00 as of the end of each full fiscal quarter ending after the Closing Date. The obligations of Olin and Olin Canada under the Senior Credit Facilities may be accelerated upon customary events of default, including non-payment of principal or interest, breaches of covenants, cross-defaults to other material debt and specified bankruptcy events.

After entering into the Credit Agreement, Olin was able to reduce their commitments made to it by certain commitment parties under the Bridge Commitment Letter dated as of March 26, 2015 by \$1,435,000,000.

Amendment to the Credit and Funding Agreement

On June 23, 2015, Olin entered into Amendment No. 4 (the "Amendment"), among Olin, certain lenders party thereto and PNC Bank, National Association, as administrative agent, to the Credit and Funding Agreement dated as of December 9, 2010, as amended by the First Amendment thereto dated as of December 27, 2010, the Second Amendment thereto dated as of April 27, 2012, and the Third Amendment thereto dated as of June 23, 2014 (the "Credit and Funding Agreement"), in connection with Olin's agreement to acquire the Business from TDCC through the Merger. The Amendment (i) provides that subsidiaries of Olin may, at Olin's election, guarantee Olin's obligations under the Credit and Funding Agreement and become "guarantors" for purposes of the Credit and Funding Agreement, (ii) amends the limitation on indebtedness of subsidiaries of Olin, effective from and after the consummation of the Merger, to exclude guarantor subsidiaries from the limitation on indebtedness, (iii) increases the maximum total leverage ratio of Olin to (a) 4.50 to 1.00 as of the end of each of the first six full fiscal quarters ending after the consummation of the Merger, (b) 4.25 to 1.00 as of the end of each of the next two full fiscal quarters ending after the consummation of the Merger, (c) 4.00 to 1.00 as of the end of each of the next two fiscal quarters ending after the consummation of the Merger and (d) 3.75 to 1.00 as of the end of each fiscal quarter thereafter and (iv) decreases the minimum interest coverage ratio of Olin to 3.50 to 1.00 as of the end of each full fiscal quarter ending after the consummation of the Merger.

After entering into the Amendment, Olin was able to reduce the commitments made to it by certain commitment parties under the Bridge Commitment Letter dated as of March 26, 2015 by \$153,000,000.

The proceeds of the Spinco Term Facility will be used to finance the cash payment to be made in connection with the Transactions by Spinco to TDCC in an amount equal to \$875,000,000, subject to increase or decrease if elected by TDCC in accordance with the terms of the Separation Agreement dated as of March 26, 2015, between TDCC and Spinco (the “Below Basis Amount”).
